📅 21/05/1999 🆔 9905215959082 in Blessing Mabunda

## PROFILE

Dynamic and results-driven Computer Science graduate with a strong foundation in programming, eager to contribute expertise in software development and problem-solving. Proficient in various programming languages and technologies, with hands-on experience in developing robust software solutions. Adept at analyzing complex problems, designing efficient algorithms, and implementing scalable solutions to meet project requirements. Possesses excellent communication skills and a collaborative mindset, enabling effective teamwork and the ability to thrive in fast-paced environments. Passionate about staying updated with emerging technologies and continuously enhancing skills to deliver innovative solutions.

## SOFTWARE PROJECTS

### MABUNDA LAUNDRY WEBSITE

Experience the modern convenience of our laundry website, built using HTML, CSS, and JavaScript. Enjoy smooth navigation, dynamic features, and interactive elements that make scheduling pickups and browsing our services a breeze. With JavaScript powering our frontend, your laundry experience is as efficient as it is user-friendly.
